North Hills Marching Band

Instrumentalist Uniform Accessories

Summer band polo shirts and gloves are required for all instrumentalists except Percussionists and Bells. Percussionists and Bells do not need gloves, but must have a polo shirt. The summer band polo shirt is the same as last year's, so if you have one from last year that still fits and is free from stains, you do not need to order a new one.

(Majorettes and Flagline do not need these items.)
