

2017 Spring Tour Fundraising Goal Planner

This form is interactive. You can either print it out and write down & calculate your own totals, or type in everything in gray and the form will keep a running total for you! There will be a few fundraisers that we expect to run in the new year, so we'll update the form then.

Peppi's Hoagies					
How many hoagies did you sell in August?		x	\$3.25	=	
September?		x	\$3.25	=
