Annual North Hills Marching Band Festival

NH AUDIO-GRAMS (PREORDER ONLY)

Audio-Grams are a simple and fun way to send a shout out to your marching band, flag line, or majorette student. Messages are read over the PA system during the festival. Whether it's funny or serious, from mom and dad or the dog and cat, let them know that you recognize the effort they have put in learning music, march routines, and choreography. It's also an easy and inexpensive way to support the music program in our schools.
